## **Information for Technical Services**

We have a great team at Viva Hair waiting to give you and your hair the best service you deserve.

We have 4 price levels that reflect the experience and educational expertise of our stylists

Kirsty, Mandy and Mary level 4, Lesley level 3, Julie level 2 and newly qualified Chloe Level 1.

### **All scalp treatments require a skin test 48 hours before your appointment.**

Regrowth sometimes called roots or re-touch. Using WELLA Koleston Perfect or Illumina

Permanent colour is applied to the root area only, to blend in with the ends. Grows out.

£32.00/£27.70/£25.70/£15.00

Semi WELLA Color Touch is applied, usually roots to ends. Great for condition and shine. Lasts about 20 washes. £29.40/£26.50/£22.00/£13.00

Full head plus Permanent colour is applied from the roots to the ends when a completely new look is required. Grows out. £43.50/£38.35/£32.70/£20.00

Full Head Foils Applying permanent colour or bleach on to weaved sections of hair in foils, over the whole head. More than one colour and or bleach can be used. Weaving the hair allows un-coloured section to remain making for a more natural look. £58.75/£49.20/£45.00/£22.00

Half Head Foils The same technique as full head foils but only applied to half of the head from front hair line to crown. This works well on shorter hair and to touch up the root area for long hair. £43.80/£35.90/£32.80/£15.50

Parting Foils As above, just over the parting to blend in roots. Works on long and short hair especially good if your short on time. £30.45/£25.60/£22.55/£11.00

Full Head Colour and Foils Full head of foils as well as a full head of colour. Different prices for different lengths of hair. Will achieve a completely new look. From £74.50/61.50/£55.90/£32.00

Regrowth and Part Foils This includes foils up the parting section and a regrowth colour as well.

This works well for breaking up block colours and to give different tones through the hair. Different prices for different lengths of hair. From £40.00/£33.85/£30.00/£27.00

Add a toner to any colour service for £12.00 ( Great for achieving your desired tone especially after bleach)

We also do glossing treatments from £4.00. Ask for details.

Balayage\_This is a more relaxed, freehand method used to create soft high/low lights. The hair is weaved out and colour applied using a paddle. Without the use of foil this is a quicker technique and leaves a more natural look. £42.75/37.00/£33.50

Ombre Add a root colour to Balayage highlights to create Ombre effect from £45 - £55

We also do colour testing where we take samples of your hair to test to get the desired result.

Colour stripping and correction service prices from £20. You must have a full consultation prior to appointment

Viva hair of Helmsley is now a stockist for Olaplex

A revolutionary new product for dry, damaged and porous hair. Treatments start from £15.00
